As New Zealand's largest wine region, there are many intriguing varieties to explore. Discover our world-famous sauvignon blanc, try our exquisite pinot noir, intense chardonnay, fine sparkling wines, and vivacious aromatics. Under the care of local growers, 97% of Marlborough's vineyard area is certified by Sustainable Winegrowing NZ™.

Along the way, you'll learn how one man's maverick move saw Montana kick start Marlborough's wine industry in 1973, just 50 years ago.

Visit some of the original wine labels, meet the families who continue the legacy, and find out why our soils, climate, and winemakers' visions make our award-winning wines impossible to imitate.

However you choose to explore our region, you'll soon know why the world celebrates Marlborough wine. And make sure to mark the 2nd Saturday of February in your calendar to join us at the iconic Marlborough Wine & Food Festival!
